What Past Participants Say

“The best part of my Evergreen program for me was creating new friendships and learning a new

way of thinking about leadership at work and at home.”

- Theresa Loyd, Executive Assistant at the Lafayette Catholic School System

Evergreen Leadership helped me to become more aware of how I am

communicating with others and the importance of allowing time for self reflection to grow as a leader.

- Jenna Isch, Agency Owner, Isch Insurance Services with Farmers Insurance

Evergreen Leadership helped me become a better leader by becoming more self-aware of my strengths, weak-

nesses and passions (inner core) to be more grounded as the external environment is constantly changing.
